

# SUMMIT 2015

ALABAMA ASSOCIATION FOR FINANCIAL PROFESSIONALS

**11:30am to 12:00pm**

**Lunch & Opening Remarks**

**Chad Carson, Associate Dean, Brock School of Business, Samford University**

**Rusty Yerkes, Alabama AFP Vice President of Education &  
Assistant Professor of Finance, Brock School of Business, Samford University**

**12:00pm to 12:50pm**

**ProAssurance Strategic & Financial Overview**

**Ned Rand, Executive Vice President & Chief Financial Officer, ProAssurance**

ProAssurance Group is a specialty writer of professional liability insurance and products liability insurance for medical technology and life sciences companies, and is the fourth largest writer of medical professional liability insurance in America. ProAssurance has been recognized as one of the Ward's 50 Top Performers (out of over 3,000 Property and Casualty insurance companies reviewed) every year since 2007, acknowledging ProAssurance's safety, consistency, and excellence in management.

**12:50pm to 1:00pm**

**Break**

**1:00pm to 1:50pm**

**FedGlobal International Payments**

**Jorge Jimenez, Director of International Product Development, Federal Reserve**

The Reserve Banks' current international ACH service, called FedGlobal ACH Payments (FedGlobal), which facilitates remittance transfers and other cross-border payments, provides service to 35 countries in North America, Latin America, and Europe. Jorge Jimenez will provide an update on the Federal Reserve's strategy to expand FedGlobal's geographic reach.

**1:50pm to 2:00pm**

**Break**

**2:00pm to 2:50pm**

**Bitcoin Coming Into Its Own**

**Anjali Kamath, General Counsel & Compliance Manager, Bitpay Inc**

Bitcoin is often referred to as the first decentralized digital currency, the largest of its kind in terms of total market value. This session will explore the virtual currency movement, starting with how it works focusing on the bitcoin algorithm and the Bitcoin infrastructure. Ms. Kamath will explain the difference between a bit coin, a bit coin payment processor, a bit coin exchange, and how merchants can accept bitcoin for payment. She will also discuss the security and fraud prevention characteristics of virtual currencies.

**2:50pm to 3:00pm**

**Break**

**3:00pm to 3:50pm**

**Updates from the Alabama State Treasurer Office**

**Young Boozer, III, 39th State Treasurer of Alabama**

As State Treasurer, Boozer is responsible for the cash management duties of receiving, depositing and investing all state funds, bond management, unclaimed property, two college savings programs and management of the state's collateral pool for public funds deposits. He also plays an essential role in managing the Alabama Trust Fund (ATF), Alabama's \$2.8 billion investment fund built from the proceeds of the sale of the state's offshore oil and gas reserves.

**3:50pm to 4:00pm**

**Closing Remarks**

**Trent Green, Alabama AFP President & Managing Director, Oakworth Capital Bank**
